

Data Protection

Status: march 2008

At Sieper GmbH, Schlittenbacher Str. 60 in 58511 Lüdenscheid, we take protection of your personal data very seriously and adhere strictly to the regulations laid down by the data protection laws. Personal data are only gathered on this website in accordance with levels that are technically necessary. Under no circumstances are the collected data sold or transferred to third parties for other reasons. The following declaration provides you with an overview of our guarantee of this protection and lists what kind of data is collected for what purpose.

Data Processing on this Internet Page

Sieper GmbH collects and automatically stores information in your server log files that your browser transmits to us. These are:

- browser type / version
- current operating system
- referrer URL (page previously visited)
- host name of the accessing computer (IP address)
- time of server request

For Sieper GmbH, these data are not identifiable in alignment to specific individuals. No alignment of these data is undertaken with other data sources; additionally, the data are deleted after a statistical evaluation.

Cookies

At several locations, the Internet pages insert so-called cookies that are used to make our offer more user-friendly, more effective and more secure. Cookies are small text files that are saved on your computer and stored by your browser. Most cookies that we use are so-called "session cookies". After your visit has ended, they are automatically deleted. Cookies do not cause any damage to your computer and contain no viruses.

Newsletter

If you would like to subscribe to the Newsletter offered on the website, we need your valid E-mail address as well as information that enables us to check that you are the owner of the submitted E-mail address or the owner consents to receive the Newsletter. No other data are collected. You can cancel your agreement at any time to store data, the E-mail address as well as its use for receipt of the Newsletter.

Right to Information

At any time, you have the right to view any information stored about your personal data, its origin and receiver as well as the purpose of storage. The data protection advisor (Herr Friedhelm Kolks, 02351/876-0) provides information on the stored data.

Further Information

Your trust is important to us. Therefore, we are available at any time to provide further information about processing your personal data. If you have any questions that are not answered by this data protection declaration, or if you require additional detailed information on any specific point, please contact our data protection advisor at any time.
