In der SIKU**WORLD** Anlegestelle finden alle Boote und Schiffe ihren Anlegeplatz. Der um 360 ° drehbare Kran hilft beim Be- und Entladen. Das Bootshaus lädt zu einem Imbiss ein und über eine Auffahrt ist die Anlegestelle auch vom Land aus zu erreichen. Das Set ist allein bespielbar oder kann mit anderen Produkten der SIKU**WORLD** kombiniert werden.

At the SIKU**WORLD** landing stage all boats and ships have their berth. The 360° rotating crane helps load and unload. The boathouse offers refreshment and the landing stage can also be reached via a ramp. The set can be played with on its own, or combined with other SIKU**WORLD** products.

Dans l'embarcadère de SIKU**WORLD**, tous les bateaux et navires trouvent un emplacement d'amarrage. La grue qui tourne à 360° facilite le chargement et le déchargement. Le hangar à bateaux invite à prendre un casse-croûte et l'embarcadère est accessible par une rampe d'accès depuis la terre ferme. Le set permet de jouer seul ou peut être combiné avec d'autres produits de SIKU**WORLD**.
